The ANGEL funeral agency has a great experience in the area of both local and international transportation of the deceased using the specialized certified transport (hearses).

We work in Latvia, Lithuania, Estonia, Russia, Belarus, the UK, Scotland, Ireland, Germany, the CIS countries, the countries of Scandinavia and more. We have the representative offices in the UK, Germany and Russia.

We ensure the following:

- **the issue of all the required documents,**
- **the availability of morgues both at the point of departure and destination;**
- **the zinc coffin;**
- **the embalming of the body.**

The ANGEL funeral agency sends zinc coffins with the bodies of the deceased (cargo 200) by air to various countries and arranges getting them at the airports of Latvia, providing the full range of funeral services.

You will not have to search for the suppliers of required services in an unknown city or country; all you have to do is address us.
